

PRIVATE SWIM LESSONS

Private Swim Lesson Program

All lessons will be 30 minutes in length. All sessions include a total of 4-5 classes. Register for one or more of the time periods listed. **We encourage you to utilize the waitlist process whenever possible.** Make-up classes/credits will not be available for classes missed.

Private Lessons give individuals an opportunity to work in a one-on-one setting with an instructor that fits their needs. Participants get a chance to practice their skills, work on technique and receive individual feedback and attention at their pace.

Semi-Private Lessons are available to families, friends, groups, or individuals who want more attention than a group setting, but still want the benefits that a group environment can provide. Semi-private lessons can be for groups of 2-3 participants and should be close in age and ability.
