Use Tax:

The City and County of Broomfield collects use tax on building materials at the time of building permit issuance. For use tax purposes, 50% of total project valuation is assumed to be materials with the balance being labor. When purchasing materials for the project, show the building permit payment receipt to the supplier. The supplier should not charge any city sales tax since the Broomfield use tax has been paid. Questions regarding use tax audits can be answered by the Broomfield Finance Department at 303-438-6287.

Use Tax = Total valuation x 50% (materials) x assessed rate: 4.15% City and County of Broomfield
