PEACE OF MIND. . . .

Pre-Arrangement:

Today, more people are recognizing that planning a funeral in advance of need demonstrates love and consideration toward their family members. It is a thoughtful decision that reduces the stress of indecision and uncertainty when death occurs.

Many people pre-arrange because they like the peace of mind knowing there will be adequate funds to cover funeral expenses. Pre-arrangement can provide real benefits when you are applying for Medicaid.

Pre-Planning Advantages...

- Price is frozen and will not increase
- Funds are 100% transferable
- Funds are tax exempt

Our funeral home pre-planning counselor will meet with you at a time that is convenient, and assist you in recording your wishes. You choose everything you want for your funeral. Once you have made your selections, a record will be kept on file at the funeral home until needed.

Our Pledge

“A Decade ago our family made a promise to provide the highest quality of service to families at their greatest hour of need. Today we vow to continue that same care that has earned us the reputation that we carry on today.” The Rundus Funeral Home offers the real peace of mind that is associated with dealing with a reputable family owned Funeral Home and Crematorium.

Our Tradition of Service

Our goal is to provide the highest level of service while maintaining the level of professionalism that has come to be expected from our firm. To carry out each family's wishes and paying attention to every detail, are the best ways we know how to make you feel that you have received the finest service available. Each family's needs are different and our staff is dedicated to answer all questions and respect your choices.

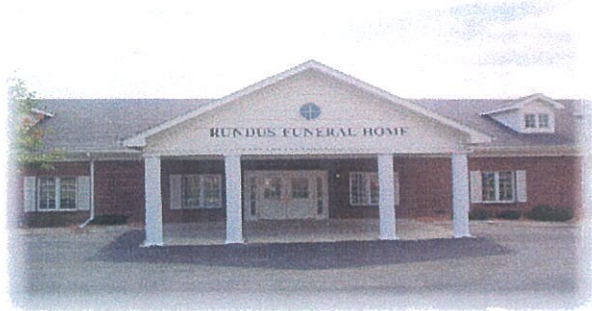

The Dove Society is the Family Cremation Specialist. We are a full service funeral provider, with an onsite crematory, caring for families on the Front Range since 1992.

Our purpose is to provide families with affordable cremation services, while preserving dignity, and care for you and your loved ones.

Losing a loved one is never easy and sometimes the choices required of the family of the deceased seem overwhelming. The Dove Society works hard to make your choices easier and more comfortable. We strive to provide you with the excellent care your family deserves.

We are available to meet your family's needs seven days a week, 24 hours a day.

Our pledge to you...We will care for you and your loved ones...the way we care for our own family.

Cremation Acceptance

Modern cremation, as we know it, actually began only a little over a century ago. Today, nearly one-quarter of Americans choose to be cremated. The practice has gained wide acceptance as a funeral rite, in both our private and public lives. Cremation has expanded rapidly worldwide. Since 1973, the number of cremations in North America has more than tripled. Countries such as Japan (97%), Great Britain (70%) and Scandinavia. (Over 65%) continue to show a high percentage of cremations. By the year 2010 cremations may exceed 70% in the United States.

What is Cremation?

Cremation is a process of extreme dehydration and evaporation created with intense heat which reduces the composition of the body to bone fragments. These fragments are then further processed into a powdery substance called cremated remains.

Preparing Makes Sense

It is easier on your family, if you make your own decision, regarding your cremation, rather than leaving these difficult choices to your family to endure at the time of need.

The Dove Society Memorial Chest

Dove Society members will receive a specially designed memory chest. Perfect for storing cherished treasures to leave that special family member

Cremation Identification Card

Dove Society members will be given an identification card for your wallet, which includes the 24 hour emergency number.

The Dove Society Memorial Gardens

Dove Society members are entitled to an obituary notice/announcement on the Dove Society Memorial Gardens web site. A qualified representative will be available to help you arrange a memorial on this worldwide location.
