

COMPUTER BASICS 101 WORKSHOP

FEBRUARY 14th, 2-4PM

LEARN ALL Of The Following:

- The Basics of a Computer
- Create and Use Email
- Safely Navigate the Internet
- Intro to Popular Social Networking Sites:
 - Facebook, Twitter, and Linked-In!

Open to anyone who would like foundational computer skills. If you have very little to no experience on the computer, or would like a refresher on the basics, this class is for you!
